EQUIS
Accredited Business School: global quality recognition for the Business School

The parent campus: King's College, University of Aberdeen, Scotland

Message from the Provost and COO

Welcome from the Provost

It is my pleasure to welcome you to the University of Aberdeen Mumbai Placement Profile Book 2026–27. As we establish the University of Aberdeen's presence in India, we bring to Mumbai the strength of a university with over 530 years of academic excellence, innovation and global impact.

Our postgraduate programmes are designed to combine strong disciplinary knowledge with the skills, adaptability and global perspective required in a rapidly changing world. Industry engagement is central to this vision, and we are committed to preparing graduates who can contribute meaningfully to organisations from the outset.

As we build the University of Aberdeen Mumbai, we invite industry partners to engage with our students through recruitment, projects, mentoring and other opportunities. We look forward to building enduring partnerships that create value for industry, our students and the wider community.

Professor Marnie Campbell
Provost, University of Aberdeen Mumbai

Message from the COO

As we welcome our founding postgraduate cohort at the University of Aberdeen Mumbai, our focus is on preparing students to apply their academic learning, build strong professional capabilities and contribute effectively in the workplace.

Career readiness is an integral part of the student journey at the University of Aberdeen Mumbai. Through individual career preparation, industry interactions, mentoring and employer engagement, we are working closely with our students to help them understand their strengths, sharpen their aspirations and prepare for opportunities that align with their capabilities.

This Placement Profile Book introduces our MBA and MSc Artificial Intelligence students and the diverse experiences, skills and perspectives they bring. We look forward to engaging with organisations not only through recruitment, but also through projects, mentoring, industry collaboration and longer-term partnerships.

Vinu Chakravarthy
Chief Operating Officer, University of Aberdeen Mumbai

Programme overview

Our one-year postgraduate programmes are designed to provide a strong academic foundation, uphold global standards, and ensure career relevance. Students work towards a University of Aberdeen degree while studying at the Mumbai campus, with the curriculum and assessments aligned with the university's academic standards.

MBA

One-year MBA from an EQUIS-accredited business school, taught at the Powai campus.

Students	Avg. experience	Female / Male
10	50 months	30% / 70%

MSc Artificial Intelligence

One-year master's in AI, delivered to University of Aberdeen academic standards in Mumbai.

Students	Avg. experience*	Female / Male
6	45 months	17% / 83%

*Refers to experienced students

Learning beyond classrooms

Student experience is built through orientation, leadership interactions, clubs, events, student voice and support.

Supported from day one

Structured orientation and named support channels.

Leadership exposure

Interactions with industry leaders, alumni and faculty.

Student voice

Feedback, engagement and evolving campus culture.

Industry connect sessions

Industry leaders, advisory board members and faculty meet on campus to shape programmes and connect with students.

Industry partnerships

Memorandum of understanding and corporate partnerships that open doors to projects, mentoring and recruitment.

Memorandum of understanding signing with TEAM

ICICI Bank at University of Aberdeen Mumbai

Career preparation from the start

Career outcomes are built through preparation, participation, projects, internships and employer engagement.

01

Experiential learning

Live projects and industry-integrated exposure

02

Skills development

Resume, interviews, Excel/Power BI, GD and case practice

03

Employer engagement

Industry interactions, mentoring and corporate connects

04

Placement support

Recruitment readiness and structured outreach
